To Those Whom I Love & Those Who Love Me

When I am gone,release me, let me go. I have so many things to see and do.You must not tie yourself to me with too many tears, but be thankful we had so many years. I gave you my love, and you can only guess how much you've given me in happiness. I thank you for the love that you have shown, but now it is time I traveled alone. So grieve for me for a while,if you grieve you must,then let your grieve be comforted by trust. It is only for a while that we must part,so treasure the memories within your heart.I wont be far away for life goes on and if you need me call and i will come. Though you can't see or touch me, I will be near and if you listen with your heart,you'll hear all my love around you soft and clear and then, when you come this way alone, I'll greet you with a smile and a "Welcome Home".

With you Always & Forever
Peggy Sweetman (Mosey)

Tributes of Love

Gone But not Forgotten

We sat beside your bedside, our hearts were crushed,
We did our best until the end, Til we couldn't anymore.
In tears we watched you sinking, we watched you fade away,
and though our hearts are broken, we knew you could not stay.
You left behind some aching hearts,
That loved you most sincere, We never shall and never will,
forget you mother dear.

*With You Always Your Children
William, Antwone, Shanika*

Dear Sister

It broke my heart the morning the lord called you home,
We know that God's will must be done. He promised that He would give us a tests.
It was time to take your rest.Peggy my sister you will never be forgotten
and you will be truly missed.I will say bye for now,
but one day we see you again. You are now with our father,
mother and siblings. We know to be absent from the body is to be present with the Lord.

*I Love You
Larry*

Grandma's Peggy House

We found somthings at grandma's house, somthings both fine and rare,
some memories, some sympathy, a gift of time to share. Inside we found faith to last us
through the years, and on the shelf we found photos & souveins,
but what we found at grandma's peggy house that mean the most to us all were loving moments she would give and those most tenderly.
