*To Those I Love
and Those Who Love Me*

*Now that I am gone, release me. Let me go
I have so many things to see and do.
You mustn't tie yourself to me with tears, Be
happy, we had so many years.*

*I gave you my love and you can only guess
How much you gave to me in happiness.
I thank you for the love you each have shown
But now it's time I traveled alone.*

*So grieve a while for me if grieve you must
Then let your grief be comforted by trust.
It's only for a while that we must part
So bless those memories in your heart.*

*I won't be far away for life goes on
So if you need me, call and I will come.
Though you can't see or touch me, I'll be near
with all my love around you soft and clear.*

*And then, when you must come this way alone,
I'll greet you with a smile and "Welcome You
Home".*

I'm Free

*Don't grieve for me, for now I'm free.
I'm following the path God laid for me.
I took His hand when I heard him call,
I turned my back and left it all.*

*I could not stay another day,
To laugh, to love, to work or play.
Tasks left undone must stay that way.
I found that place at the close of day.*

*If my parting has left a void,
then fill it with remembered joy!
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.
Be not burdened with times of sorrow.
I wish you the sunshine of tomorrow.
My life's been full, I've savored much.*

*Good friends, good times,
a loved one's touch.*

*Perhaps my time seemed all too brief.
Don't lengthen it now with undue grief.
Lift up your heart and share with me.*

*God wanted me now,
He set me free.*
