Perhaps you sent a lovely card or sat quietly in a chair.
Perhaps you sent those beautiful flowers, that we saw sitting there
Perhaps you spoke the kindest words, as any friend could say
Perhaps you were not there at all, just thought of us that day
Whatever you did to console our hearts
We thank you so much for whatever part

The Family of Kenneth Broussard thank you all sincerely for the
outpouring of love and kindness
During this time of mourning.

-Love Dad

Dad,

I love you sooooo much dad. I love how you made friends wherever we went. You taught me so much, like people skills and how to be a man. I love you made everyone smile and laugh. I learned how to treat people because you taught me how to treat people. Everyone that knew you told me my dad was a good man and I should try to be like you. Thank you, Dad, for all the love and laughs

-Jamaur

Ken, Big Brother

You were like my twin, you loved me, and I loved you. You knew my order at all the restaurants, you were a gentle man since the day you were born. We never even had an argument in our entire lives.

You were a very mannerable and honest man

When Hurricane Harvey came, you came out in the treacherous, devastating weather and rescued me and flooded your own vehicle.

You were coming to get your sister and you did.

I will miss your every day that passes. I wish you were still here so I can tell you how much I love you

I will forever be your little sister

and you will forever be my big brother

I will never forget you and I will cherish the memories forever

Rest up King
Love Tasha

My Brother,

You will never know how much I truly loved you so

Having you so very close is what I will miss the most

No words can describe or could say the sorrow I feel everyday

Each day you are on my mind

Brother you were one of a kind

In my heart you live and will always be

No one could or would ever mean so much to me

-Pookie

To my loving Uncle KB,

I still can't believe that you are gone. I miss you so much

I'm thankful for the moments we had with each other.

Keep watching over us and guide us through whatever.

I love you so much

-Your niece Xavianna
(baby girl)

To My Favorite Uncle KB,

There isn't a moment that goes by that I'm not missing you. You were always at my basketball games cheering when I made a basket, you would always be waiting for me at the bus stop or taking me to volleyball or basketball practice. Every time I get a point or a good kill, I will look up to you knowing you are cheering for me. Well Uncle KB there is not enough space to say everything but just know I play for you. I love you forever and always.

Strength Prayer

Heavenly Father I am crying to you in my trouble.
Deliver me from my distress, for I am empty and lost
I don't know what to do or how to cope with life after the
demise of my child.

I loved my son so much, he was my world
Lord give me the strength to go on.
Help me to take one step at a time as I come to terms with what
has happened

Father hold me and console me for its only in you for its only in
you that I may find the strength to go on with life.

Thank you, Lord, for answering my prayers

In Jesus Holy name I believe and pray

Amen
