Always in your
Heart

Picture me as I was,
Full of life and love.
Although not with you now,
I'm watching from above.
I know how much
you miss me,
And I miss you too.
It was my time to leave,
As each of us will do.
Although not in your arms,
I'm always in your heart.
The precious love we shared,
means we're never far apart. ©

Tributes of Love

The moment that you left me my heart split in two.

One side filled with memories, the other side died with you. I often lay awake at night when the world is fast asleep, and take a walk down memory lane with tears upon my cheek. Remembering you is easy, I do it every day, but missing you is a heartache that never goes away. I hold you tightly within my heart and there you will remain. You see life goes on without you but it will never be the same.

From your kids Johnny, Cynthia, and Debra

Sister, since you passed away life just hasn't been the same. I would move heaven and earth to have you here with me again. I'm so grateful for the years we had and the closeness that we shared. You were a wonderful sister, I miss you no end, but more than just my family, I've lost a very special friend.

From your sisters Ruth and Mary

Love you grandma – You truly were a special, special woman! You may have passed on, but your memories would always live on within us. Thank you for your sacrifices, your care and concern, your love and everything that you have done for us I know you are in a much better place continue to watch over us all until we meet again loving you always

From your grandchildren and great grandchildren
