His Education began at Fidelity Elementary in Galena Park, and He graduated from Teague High School May 29, 1980. Sungar's education continued after leaving Teague, which he loved so dearly. He joined the United States Navy where his education continued and he traveled around the world. Sungar served in the Navy from May 1981 to December 1984. In 1981 he went to bootcamp at the Naval Training Center in San Diego California. In 1982 he served a 1-year tour in Adak, Alaska as a military policeman. # TRIBUTES OF LOVE

Hotshot I will miss you so much, you are the kind of brother that made me proud to be your sister. You didn't have a problem being yourself and we both knew God chose us to be Family from the foundation, he said it was good so I never doubted that. I realized long ago we couldn't choose family but we had a choice in choosing friends and you left us with some of the best, I know they will make sure we are doing well. As far as I'm concerned no matter what, You are The Greatest as I feel the same about the rest of our family, God gifted us in ways we could never explain. Our legacy is going forward as we continue forward, I will miss you more than these few words can express. Rest on, I was interceding for you in prayer, I'm sure Our Father stopped by and made sure you were in His Care.

*See you later, Love you, Big Sister Dianne*

I love you UNK and thank you for always being there for me and staying on me when I needed it.

*Love you UNK Ray ~ Big Man*

Uncle Hotshot,

You will be truly missed, rest well until we meet again. I love you always and forever!

*-Quin*

I remember when i was in the hospital and you suprised me early one morning with breakfast, you sat with me for about a hour. You told me I better get up and start walking again or you were gonna whip my butt. I am glad that I have had the chance to tell you on numerous occasions that I love you. I will miss you and

all of your good cooking.

*Until we meet again, Takeshia*

Though I felt lonely I wasn't alone. Though I felt broken I wasn't alone. Though I felt lost I wasn't alone.

*Love, Bertha*

When you are angry do not sin and be sure to stop being angry before the end of the day. Do not give the devil a way to defeat you! *Love, Tineshia*

May our Lord Jesus Christ Himself and God our Father encourage you and strengthen you in every good thing you say and do. *Love, Laymeshia*

Trust God to do what you can't. Obey God and do what you can.

*Love, Mia and Marlon*

For 4 years you stood the watch for this country, but watched the corner of North Carolina for decades. While some of us were in our beds sleeping and even before some of us were born you were standing the watch Many times we would see your curtain open just enough to see who was walking by.

We knew you were standing the watch.

You would spend hours sitting under that old tree, but we knew you were standing the watch Many times, you may have needed guidance or help, but you continued to stand the watch.

Thank you for the love, and the laughs. It's time for you to Do Whutz Going On in heaven.

Today we are here to say your watch stands relieved

Relieved by those who love you, and pray you are suffering no more

Unc you stand relieved. we have the watch!

*Love, Quanta*
