

Expressions of Love

Missing you...

"This is a day that I'll never forget being a parent; "A father" you would never expect to be in this position or situation. But only God knows what's best and trust me He makes no mistakes. I can honestly say that I will forever miss our conversations, smile and love. But love last forever it's neverending and the pain and heartache that I'm feeling now will ease with prayer. The one thing that bring comfort to my heart and spirit, is to know that he have no more stress or worries. And also that he left behind a legacy to carry on his name to make us proud. I love you Shaun and I know that you and your mother is watching us with God "Our Father" love you always

Johnny "Poochie" Lewis

Daddy, I love you so much more than you probably ever knew. I'm missing you more and more everyday. I'll see you soon "Big Kahuna" Your loving daughter Ty'Lexia Lewis

My heavenly father, I would stress but you would say it isn't good for my health, you gave me everything I asked for with not much wealth. I love you forever you're not in no more pain, you're just another angel that God has gained" Your loving son

Our Sincerest Gratitude

*"Blessed are they that mourn,
for they shall be comforted"*

Matt. 4:1

Words of thanks seem so inadequate for all the kindness bestowed upon our family. We thank you for the encouraging words of solace, the comforting calls and visits, the lovely cards, flowers, handshakes and hugs especially during these uneven times. We are finding strength in knowing that earth has no sorrow that heaven can not heal. May God bless each of you richly. The Family
