### From Your Sister:

Punkin you were a good sister. Sometimes I felt like the big sister instead of the little sister. A lot of the times, I was chasing you instead of you chasing me. If I had to do it all over again, I would not change a thing. When you took sick, I was a little nervous and scared, but I prayed about it and God showed me the way. My love for you made taking care of you so easy. I am going to miss you so much, but I know you are okay now. I know you are with mama, Janet, big mama, Sherry Ann, dad and our brother, Dwight. Until we meet again, I love you with all my heart.

Love,  
Sherry Harrison-Stevenson

### From Your Grand Children:

Grandma we both enjoyed the time that we to spend with you. Although the time was not enough for us. I know you will be smiling down from heaven and looking out for us. We love you grandma.

With Love,  
Your Boys

### From Your God Sister:

There's only one person in the whole world like you, and I'm so glad to call you my sister.

Love Shirley Palmer
