Obituary

Linda Sue Johnson was born in Victoria, Texas, on August 25, 1952 to Maurice Hodge and Mitchell Howard Johnson. Linda was the oldest of 4 children. Upon the death of her mother, she took on the role of mom, by helping her sister and younger brothers while their dad worked to take care of all of them. She always had a caring and loving spirit. Growing up in The Garden City subdivision, Linda had childhood friends that she loved hanging with and often talked about. The Whittakers and The Lovetts, to name a few, were just like family.

Linda accepted Christ at an early age and was very active in church. From singing in the choir, to other activities. She attended grade school to high school in both Fairbanks and Klein Independent School Districts, where she graduated from Klein High School in 1970. She later attended The University of Houston and graduated with a degree in Sociology. While attending The University of Houston, she met the love of her life, Olu Kayode Agbedahun. They were united in marriage in 1977, he preceded her in death. Linda spent the majority of her working career in the oil and gas field.

Linda excelled in school all while making sure her siblings were well guided and prepared for life. She helped them pick their college courses and provided great advice for everyday living. Linda gave a ton of advice to all she came across. Doesn't matter if you wanted to hear it or not, she was going to give it. She had a passion for Black Art, was an avid reader, and had a love for history. She could talk about slavery, WWI and II, sports and any current affairs. You could say she was well versed on a wide variety of subjects. Truth be told...she easily could have replaced KHOU, KTRK, KPRC-TV, as well as BET.

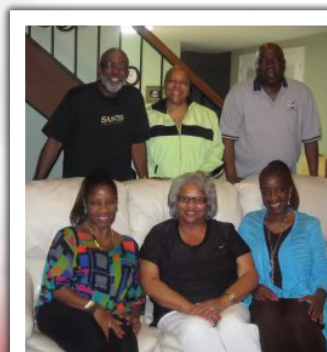

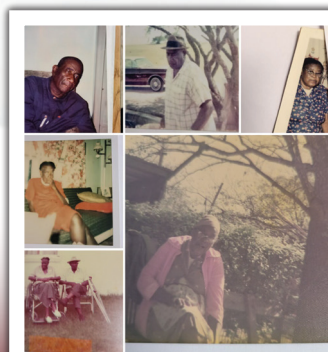

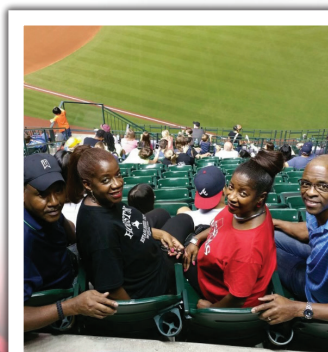

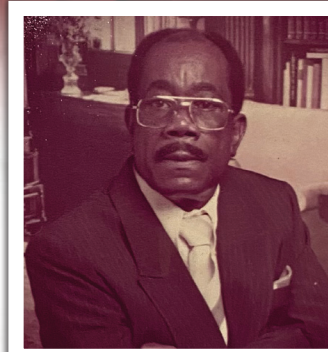

Linda was very wise and knowledgeable about life in general. You were never gonna win an argument regarding most things, especially politics. She was very active in giving back to her community and was a huge supporter of HBCUs. She was on the Executive Committee Board of The NAACP, she was a member of WIN (Women in NAACP), as well as a Silver Lifetime Member.

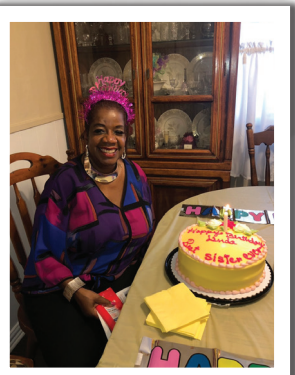

Family was quite important to her, from her siblings, her nieces, nephews, her great nieces and great nephew, and many other family members. She was the chef in the family. We will definitely miss her good cooking. She was also the family photographer. Linda wouldn't let anyone replace her outdated camera, because she knew how to operate it and she thought no one else could take pictures quite like her. She always carried that infamous camera in a ziploc plastic bag.

Her love for family will continue to be remembered and cherished in our daily lives and actions.

Those that remain to cherish her memory:

Sister-Gwendolyn Johnson Saulsberry, Brothers-Mitchell Kenneth Johnson and Keith Wayne Johnson (Rosalind Johnson), Nephews-Eric G. Johnson and Mitchell R. Johnson, Nieces-Kortney Bowie (Jason Bowie) and Keyera Johnson, 2 Great nieces, 1 Great nephew, and a host of other relatives and friends. As well as a family friend that held a special place as a second mom, Mrs. Katherine A. Toliver and her sons Byron and William "Billy" Toliver.

Tributes of Love

Aunt Linda,

Love is faithful, Love is true.
God granted us love,
When He sent us you.

Our Aunt Linda was a strong, charismatic, and majestic woman. A woman of God and a communicator of global and national affairs that mattered. She instilled within us and everyone she encountered a sense of community and self-value. Maternal in nature, she nurtured us to be the amazing young adults we are today. We were blessed to have had pertinent conversations on our family history, good laughs, wisdom, and the best brownies made from love all from an amazing spirit. During the holidays you'll be missed, your phone calls will be missed, our conversations about Prairie View, Lamar and UTSA will be missed, your emails on old school soul music that we've grown fond of will be missed. Meeting up to receive your coveted baked goods will be missed. God has gained another angel. We love you always Aunt Linda.

-Your Nieces and Nephews

Linda,

Dear sister, you may not be with us today in flesh and blood, but your footsteps can never be erased. We thank God for blessing us with a sister that loved The Lord and was a powerful prayer warrior. A sister that loved us and always guided us to look up and keep our eyes on Jesus. Thank you for always inspiring us to keep a good name like our parents taught us, because a good name is more precious than gold. Thank you for being the cement that held our family together. When we stop and think of you, we will think of the strength of a woman who always inspired us to be our best. Now we will take the great legacy you left, and pass the mantle on from generation to generation and continue being a strong family of God. You will always live in our hearts.

-Your Siblings.

A Lighthouse in the Distance

I'm a Lighthouse in the distance.
A light for all to see,
I'll point you in the right direction
And plan your destiny.

I am a very bright Beacon of Hope-
Shining on the water in the night.
Echoing – softly
“Come to Me-because- I am the Light.”

I'm calling to everyone on the water,
especially the ships at sea,
Calling to bring you light and hope
Throughout all of eternity.

Come toward the light
And I'll steer you to harbor safely onto the land.
When the winds and waves are crashing down
I hear your plea and boldly I always stand.

When you only see storms and
darkness furiously raging all around,
Remember your Lighthouse in the distance
And you surely will not drown.

I have a purpose on the water
and it's for all of the world to see-
My Light forever burning,
throughout precious eternity.

Love, God
