Expressions of Love

Dad,

I miss you. I watched you suffer, and I was present when you passed. Although it broke my heart, we had to part, in order for God to ease your pain. I thank God I was able to be there with you. You didn't go alone, part of me went with you. My mind knows you are in a better place, where there is no pain. You are at peace. I understand, I just wish I could explain that to my heart. Until we meet again.

-Your Daughter, Annette

Daddy,

You have been there for me no matter what choices I may have made. We laughed and talked many of days, which set me free to fly on my own. There is no greater Love than that. You will always be special to me, and I'll always remember you. **-Your Daughter, Denise**

Dear Dad,

I smile because you fought a good fight. Even though you were frail and weak you were still strong. I believe you are happier now that you are with your mom, dad, and the rest of the Thompson Quarter Family and friends. We are sending love to you, and the Heavenly Family. Tell them we say hello. **-Love Always, Meria and Ree**

Dear Dad,

We think about you always, we talk about you still, you have never been forgotten, and you never will. We hold you close within our hearts, and there you will remain. **-Your Son, Arthur West**

To Our Uncle,

You were a blessing, and you meant so much to us. Words could never tell the joy you brought to your nieces and nephews. An uncle is a bond of faith that even time can't tell. An uncle is a gift that will last all of our lives. **-Your nieces and Nephews**

A Grandfather Just Like You,

We just want to let you know you mean the world to us. Only a heart as dear as yours, would give so unselfishly. The many things you've done, all the times that you were there, help us know deep down inside how much you really care. Even though we might not say, we appreciate all you've done. Richly blessed is how we feel, having a grandfather just like you. **-Your Grandchildren**

Grandad,

We will always remember that special smile, that caring heart, and that warm embrace you always gave us. **-Your Great Grandchildren**
