Donald's Journey

Donald Ray Williams, transitioned unexpectedly on December 25, 2022 at his residence. The family is deeply saddened and shocked by his sudden passing.

On February 3, 1945, in Camden, Texas Jesse Williams Sr. and Madie Williams gave birth to their seventh child, an awesome bouncing baby boy Donald Ray Williams.

Donald Ray Williams attended Camden Elementary School and later went on to Chester High School where he graduated. Donald Ray Williams played his favorite two sports in high school football and basketball. He also attended Prairie View A&M from 1959-1963.

Donald Ray Williams accepted Christ and he became a member of Lakewood Church for several years and then he went on to Bible Days Revival Church for a while and then on to Uvalde Baptist Church until he became ill.

Donald Ray Williams was an outdoorsman at heart. He loved being outside, fishing and barbecuing. He was an athletic person who loved to run and walk during his spare time. He was a man who enjoyed taking a hands-on approach to life.

Donald Ray Williams worked at Tex Pack driving trucks for several years. Then he went on to work for LaQuinta Inn as a driver where he later retired from.

Donald Ray Williams married his sweetheart Sheila Marie Williams on February 22, 1986 and shared their love for one another for thirty-six years.

Donald Ray Williams was preceded in death by his father: Jesse Williams Sr., his mother: Madie Williams, his brothers: Marvin Fred Williams, John Williams Sr. and Jessie Williams Jr. his sisters: Doris Dirden and Betty Williams, his daughter Lolita Williams Mba.

Donald Ray Williams leaves to cherish his memories: a wonderful loving wife Sheila Marie Williams, his sister: Queen Preston and a host of grand-children, great grand-children, aunts, uncles, nieces, nephews and friends.

Everlasting Memories

Tribute to My Husband

"HUSBAND"

To my precious husband each day I miss you more as I picture you at the kitchen table or coming through the front door.

I miss our talks and the special way you would always understand. I miss the closeness that we shared and how you'd hold my hand. My love is always with you even though you went away.

I find myself looking back daily to so many happy days.

I have been a real trooper trying to get by the best way I can just know even from heaven you will forever be in my heart.

Love Always, Sheila Marie Williams
