Her Life Journey

~Ecclesiastes 3:4~

A time to weep and a time to LAUGH. A time to mourn and a time to DANCE.

Juanita L. Harrison joyfully graced the world with her laughter and energetic presence on October 4, 1949. She was born to the union of proud and loving parents George Lawrence and Nettie Weaver of Conroe Texas.

Juanita will go down in history as the first African American student to graduate with her diploma from Willis High School. Juanita received her degree from Texas Woman University in Denton, Texas. Juanita will be remembered as a worshipper and a prayer warrior for Christ. Juanita was a faithful servant and used her God-given gifts to serve with the Children church Ministry, Sunday school teacher, prayer team, Vacation Bible School, a reader for Pastor, and a tribe member.

Juanita Harrison was united in marriage to James Harrison. Juanita mothered 4 beautiful girls and one handsome son. She loved them all deeply and they loved her back.

Juanita lived life to the fullest, laughing and smiling at every opportunity life allowed. She loved helping others and her favorite thing in the world to do was to pray for those who wanted and needed it, and she did it without hesitation. She was employed by the U.S. Post Office where she served for over 20 years.

In her leisure time she loved games, going on cruise, and spending quality time with her family.

Having lived a beautiful life, Juanita's destiny here on earth has been fulfilled. God in his grace and mercy called her home into his loving arms on May 1, 2021. She was preceded in death by her parents George and Nettie Lawrence; siblings, Bud Lawrence, Alex Lawrence, Freda Mae Taylor, Johnny Lawrence, Willie Lee Lawrence, George Miller, Ada Price, Pat Scott, Chester "Sonny" Lawrence, and Margie Woods.

She leaves to cherish her memory her daughters; Sheree' (Oliver) Harrison, JamesEtta (Eric) Clark, Janielle (Terrance) Harrison and her son Richard Harrison. Special bonus children Shakeira (Jeremy) Banks, Christa (Jerrod) Clark and Gregory Pelt. She left 12 grandchildren TJ, Xavier, Shawntae, Natarsha, Shatterra, Sheddreka, Gerrod, JaKorrie, Jordan, Zion, Dramodd, and Addison. One sister Doris Taylor, and one brother Joseph (Ruth) Lawrence; and a host of nieces, nephews, and other family members and friends.

Tributes of Love

We will miss your smile and laughter. The love that you poured on all of us. We will mostly miss your presence and prayers.

-Your Children-

One quiet day the angels came-And took our grandma far away-But in the stillness of the night I could almost hear her say-"Dear grandchildren - I will miss you-You mean so much to me-But Jesus called me to his side- In Heaven I will be -A place of God's great beauty-No tears or earthly cares-Only peace & joy forever-And love beyond compare-So remember all the good times-Don't think about the sad-Treasure all the special moments-Through the years we've always had-And if you trust in Jesus-I can promise this & more-You will get a hug from grandma-Someday on Heaven's golden shore."

-Your Grandchildren-

When I think back on the best memories of Aunt Nita. My mind goes back to the summer visits when you knew that Margie's boys were coming. You would have a stove full of food because you knew we could clean the pots. What you didn't know is that mom told us that we better not come in acting like we were hungry. So, we would sit and wait for mom to finally say that we could eat a little. Then it was off to the races and we would eat and eat and watch you sit back and laugh because we were eating up all of your cooking. Aunt Nita was also known for her love of games. We have so many memories of either staying up all night playing games with you or watching you play games with other family members. These memories we will hold near to our hearts. At the last family reunion, you let everyone know that you were the Spades Queen! I think a few people underestimated your skills. During the final days of being with our mother, we can remember sitting around and taking a walk down memory lane. You told us stories of Mama and how she would tell on her sisters if they were misbehaving. There was an evening of singing that started with special song requests for the special auntie. This was such a blessing to all of us. These songs touched our hearts. We can only pray that in your final days of sickness you were also able to hear these sweet melodies. Your zest for life will leave a space in all our hearts. Rest Well Aunt Nita. Until we meet again,

-Margie's Boys and all the Woods family-

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call-I turned my back and left it all-I could not stay another day, to laugh, to love, to work, to play-Tasks left undone must stay that way-I've found that peace at the close of the day. We love you Aunt Juanita.

To Our Dear Aunt Juanita,
We are so blessed to have had you in our life as an Aunt, Great Aunt, a confidant, and whatever we needed you to be. You were wonderful, dear and most definitely brought laughter and cheer when you were near. You loved us all in a special way, and for that we will be forever grateful. We treasure the relationship we had with you, for you meant so much to us. We will always remember that smile that brightened up the day. The fact that you are no longer hear causes us grief and pain, but you're forever in our hearts until we meet again. Rest well, love always.

Brother Alex & Family

Aunt Juanita,
We love you and we will truly miss your smile, your outspokenness, your competitiveness, the love you have for your family, your friends and especially God! We will truly miss hearing you in church helping the Pastors, and quoting scriptures Aunt Juanita we love, and adore you. And you will be truly missed.

-Georgia's Family-

Our dearest Nita Baby, you were the life of the party and if it wasn't a party, you were sure to make it one. We're going to miss your laughter, your shouting, and most of all your presence. You loved the Lord and would let any and everyone know who would listen. You said you were ready whenever Jesus was ready to come and get you. You and Margie were the babies of crew and even though this is hitting us hard we will praise our God because we know that your brand-new body is now glorified and you're resting in the arms of Jesus. You are spending quality time you so longed for with Katina. So, until we meet again, as Honey always says, BYE FOR NOW, we love you! Love Honey and the Honeybees.
