## My Gift Sent From Heaven

*I felt a warmth around me and I started to smile. Then all of a sudden you were here for a while. You were smiling and laughing and told of God's grace. Then you said that Heaven is really a nice place. It reminded me of the time we laughed until we cried and we agreed that this moment would live when we died. To the world you are dead, but through Jesus you are free. That's why when I'm sad, a memory comes to me. Death is a heartbeat that stops beating in the night, but for those who know Jesus it's the dark before the light.*

*I know you're in Heaven and free from all the pain and that when a body dies, all of the memories remain. Your living was my piece of Heaven, your death is God's grace. Though I still can't be with you, I can picture your face. I will treasure every moment and one day I will see- My gift from Heaven when God comes to greet me.*

# A Letter From Heaven

*When tomorrow starts without me,  
and I'm not here to see,  
filled with tears for me.*

*I wish so much you wouldn't cry,  
the way you did today,  
while thinking of the many  
things we didn't get to say.*

*I know how much you love me,  
as much as I love you,  
and each time you think of me,  
I know you'll miss me too.*

*When tomorrow starts without me,  
don't think we're far apart  
for every time you think of me,  
I'm right there in your heart.*
