IF TEARS COULD BUILD A
S T A I R W A Y

If tears could build a stairway,
and memories a lane.

I would walk right up to Heaven
and bring you back again.

No farewell words were spoken,
No time to say "Goodbye".

You were gone before I knew it,
and only God knows why.

My heart still aches with sadness,
and secret tears still flow.

What it meant to love you -
No one can ever know.

But now I know you want me
to mourn for you no more;

To remember all the happy times
life still has much in store.

Until We Meet Again!

I'M FREE

Don't grieve for me for now I'm free,
I'm following the path God laid for me
I took his hand when I heard him call,
I turned my back and left it all
I could not stay another day,
To laugh, to love, to work or play
Tasks left undone must stay that way,
I've found that peace at the close of day
If my parting has left a void,
Then fill it with remembered joy
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss

Be not burdened with times of sorrow,
I wish for you the sunshine of tomorrow
My life's been full, I've savored much,
Good friends, good times,
my loved one's touch
If my time seemed all too brief,
Don't lengthen it now with undue grief
Lift up your heart, rejoice with me,
God wanted me now, He set me free.

Tributes of Love

DADDY

Daddy this is so unrealistic too me! I am heartbroken. I have always been at your side when you were in distress. I felt like you needed me, but God needed you more. I love and cherish each and every memory we shared. You informed me after a long extensive hospital stay in 2018 that you were never going back. You said you was going to home to be with your Lord and Savior Jesus Christ. Daddy, you did just that all in the comfort of your own residence. You may have lived on the fourth floor, but you took a journey where no elevators or stairs were needed only for your remains. "Well done, good and faithful servant".

Brother

To my beloved brother I will miss you greatly here on earth, but God was ready to receive you in heaven, I will miss the counseling & many scriptures that you would give me.

To get me through the challenges & problems that would come up in life we did a lot together running 4&5 miles a day for your karate fights, then we would go into the gym and start sit-ups, push-ups, jump rope, bag work then workout with 5 or 6 guys in the ring. After the hard work out, we would go and eat Chinese food. The manager would see us in the restaurant so much he told us that we needed Chinese wives.

I will have those memories to cherish. I know that you're Singing and praising the Lord in heaven now, until we meet again goodbye for now my brother, I love you see you soon.
