## "I Made It Home"

I just wanted to let y'all know that I made it home  
Everything is so pretty here, so white, so fresh so new I  
wish y'all could close your eyes and see it too  
Please try not to be sad for me and try to understand  
God is taking care of me, I'm in the shelter of his hands  
Here there is no sadness, no sorrow, no pain  
Here there is no crying and I'll never hurt again Here it  
is so peaceful, when all the Angels sing  
I really have to go now... I've just got to try my wings.

Dr. Charlie Lacy Officiating

Let not your heart be troubled; you believe in God, believe also in Me. In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also. JOHN 14:1-3

## Tributes of Love

### A Tribute To Our Mom

We're never ready to say goodbye To someone we hold dear.  
 If it were up to us, We'd always keep you here.  
 But God has reasons of His own And plans we cannot know,  
 And these are always for our good, Though it may seem not so.  
 Our arms are empty and our hearts Are filled with tears and grief,  
 For we who loved each day with you, Now find those days too brief.  
 Yet if we could only heaven see, We'd know you're happy there, And we would  
 never call you back When such great joy you share.  
 And so we'll trust you to God's great care And know some day, once more,  
 We'll hold you to our hearts again When we reach heaven's shore.

From Your Children Benji, Jackie & Bo

### A Tribute To Our Granny

If roses grow in heaven, Lord please pick a bunch for me,  
 Place them in my Grandmothers' arms and tell her they're from me.  
 Tell her I love her and miss her, and when she turns to smile, place a kiss upon  
 her cheek and hold her for a while.  
 Because remembering her is easy, I do it every day,  
 but there's an ache within my heart that will never go away.

From The Grandkids and Great Grandkids  
 LeoNard, Charles, Earl, DeAngela, Donovan, Eric, Justin, Erica, Shawn,  
 Christian, Xaviyn, Lenox, and Shawn III.

### A Tribute To Our Big Sister

We sit here and ponder how very much We'd like to talk with you today,  
 there are so many things that we didn't get to say.  
 My sister, we know how much you care for us, and how much we care for you,  
 and each time we think of you, We know you'll miss us too.  
 An angel came and took you by the hand, and said your place was ready in  
 heaven, far above... and you had to leave behind, all those you dearly loved.  
 You had so much to live for, you had so much to do... It still seems impossible  
 that God was taking you. And though your life on earth is past, in Heaven it  
 starts anew. You'll live for all eternity, just as God has promised you.  
 And though you've walked through Heaven's gate, we're never far apart,  
 for every time we think of you you're right here, deep within our heart.

Your Siblings  
 Fannie, Zola, Willie, Ora, Jerry and Billy.

### A Tribute To Our Auntie

Those We Love Don't Go Away  
 They Walk Beside Us Every Day  
 Unseen, Unheard But Always Near  
 Sill Loved, Still Missed And Very Dear  
 We Know You'd Be Here Today If Heaven Wasn't So Far Away.

Love From  
 Your Nieces and Nephews
