Tribute to My Brother

Brother, I love you, I'm going to miss you so much. I am thankful to God for the memories we got to make before your time came. I wish we had more time. Just know that I love you so much and I always will.

- Your little sister leshia

Heaven has called upon you today, leaving so many words left to say. But now its too late, for your time has come. Words unspoken- I am sure everybody has some. Regrets and wishes are probably there too, but lasting forever are memories of you. I was there when you needed a place to stay, just like you would be there for me night or day. There have been many times that we disagreed, but we were there for each other in time of need. Now it's time for me to say goodbye, until we meet again in heaven to fly.

- Nicci

Tribute to My Nephew

Nephew of all the many blessings, however great or small, to have had you for a nephew was the greatest one of all. The family chain is broken now, and nothing seems the same. But as God takes us one by one, the chain will link again.

- Aunt Denise

Order of Service

I'm Going Home

Don't cry for me, for I am going home.

I'll have a lot of company; I won't be long.

There will be no more crying, sickness and pain.

I'll have nothing but peace and joy to gain.

I'm going home to walk in the light.

I know it will be such a lovely sight.

I can't wait to see my heavenly fathers face; for I know that he is preparing
me for a place.

A place where there is more love than Heaven can hold,

and there you will find me in my lone white robe.....

Walking in the streets of Gold.

I'm going home to get my crown, and I'll be
waiting on you, when your time comes around.
