## My Change of address

from: 447 Tennessee St Houston Texas 77029

to: 12 Gates to the City Avenue New Jerusalem, Heaven 77777

I've changed my address to Heaven

I've crossed the Great Divide.

I know there's no sorrow or crying, Because I've reached the other side.

I am so happy to be here,  
for the Lord Himself I see.

I've changed my address to Heaven, I bid this world goodbye.

I now live forever with Jesus in my new home in the sky.

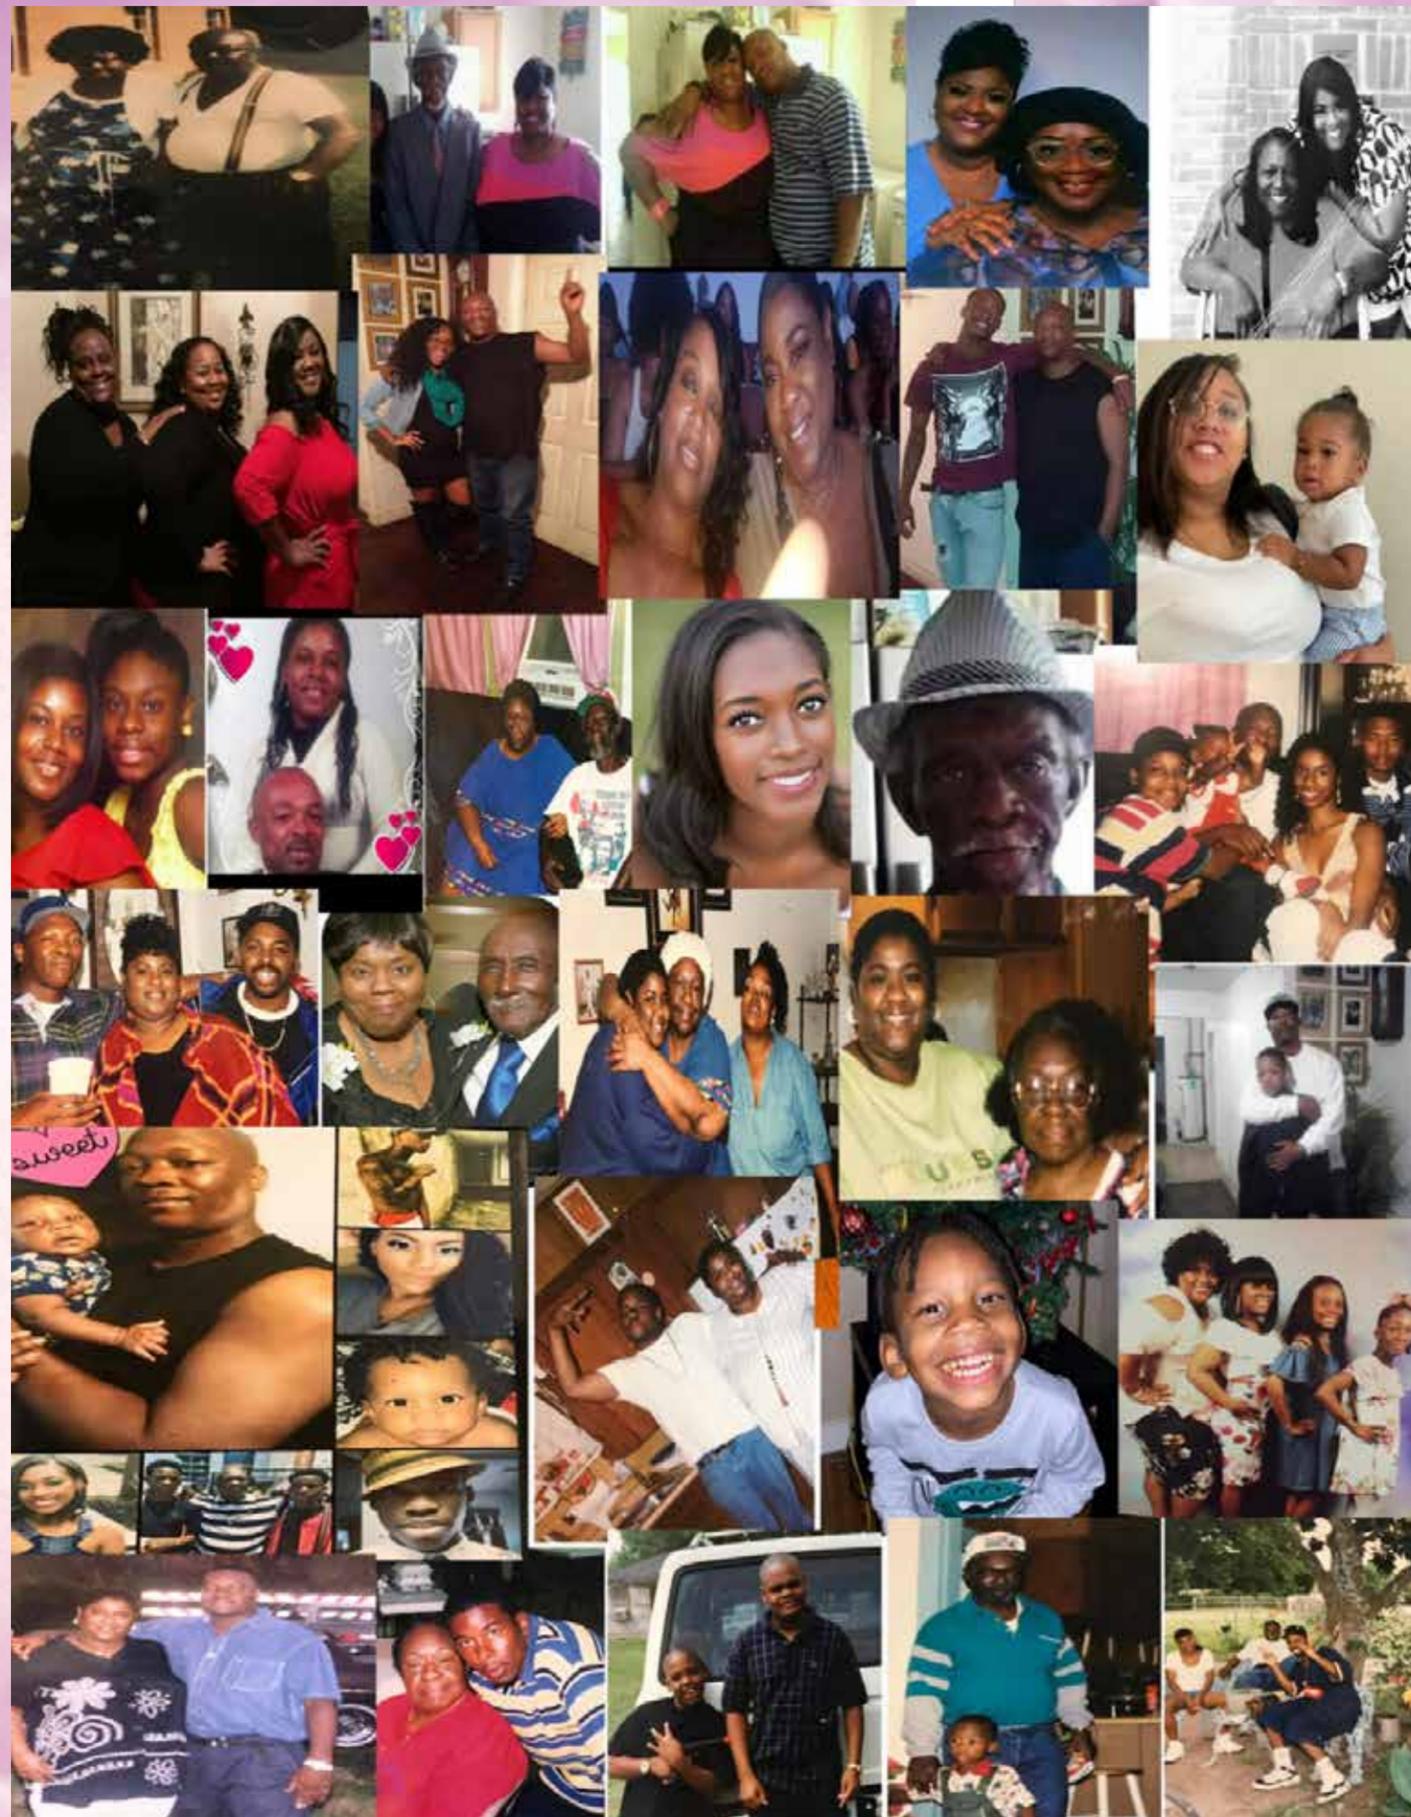

I have no burdens or heartaches And from tears I am now free.

I've changed my address to Heaven, I'm safe forevermore.

For the Lord built a mansion And my name is on the door.

You can find us walking together, For where He is, I'll always be.

I've changed my address to Heaven, That's the place you'll find me.

## I Never Saw Your Wings

How is it that I never saw your wings when you were here with me? When you closed your eyes and soared to the Heavens I could hear the faint flutter of your wings as you left. Your body no longer on this side. Your spirit here eternally. I see your halo shine. I close my eyes and see the multi-colored wings surround me in my saddest moments and my happiest times. Sister, my angel. God has given you your assignment always my sister forever my angel. You fly into my dreams and when I am asleep I feel your wings brush against my face wiping away the tears I shed since I can no longer hold you in my arms but in my heart. You earned those wings dear sister and you will always be my angel eternal.

**Your Brother Robert.**

I sit here and ponder how very much I'd like to talk with you today, there are so many things that we didn't get to say. I know how much you care for me, and how much I care for you, and each time I think of you, I know you'll miss me too. An angel came and took you by the hand, and said your place was ready in heaven, far above... and you had to leave behind, all those you dearly loved. You had so much to live for, you had so much to do... It still seems impossible that God was taking you. And though your life on earth is past, in Heaven it starts anew. You'll live for all eternity, just as God has promised you. And though you've walked through Heaven's gate, we're never far apart, for every time I think of you you're right here, deep within my heart.

**Your Cousin Michelle**

The memories I will forever cherish, for they are priceless. For all she has done, I will forever be thankful, and my love for her only grows more with each day that passes. On a high pedestal is where I hold her, for I admire her so much more than she knows. Having her a part of my life is the greatest gift of all, being in her presence is God's blessing to me. Looking deep inside of her, I see that strong, wise woman I hope to become. Giving, helpful, loving, caring, and kind, is what defines her. She is not only my favorite Aunt but she is my role model, and to be like her, would be my only wish.
