## *If Tomorrow Starts Without Me...*

*If tomorrow starts without me, and I'm not here to see,  
If the sun should rise you find your eyes all filled with tears for me;*

*I wish so much you wouldn't cry the way you did today,  
While thinking of the many things we didn't get to say.*

*I know how much you love me, as much as I love you  
And each time that you think of me, I know you'll miss me too.*

*When tomorrow starts with out me don't think we're far apart,  
For every time you think of me, I'm right here in your heart.*
