Obituary

Tonysha Lashay Smith was born on June 3, 2002 to parents Tiffany Bennett and Tony Smith in Houston, TX.

Tonysha journeyed from her life on November 7 2021 in Beaumont, TX. She graduated from Westfield High School and she attended Lamar University continuing her nursing career.

Tonysha is preceded in death by her father, Tony Smith.

She leaves to mourn her passing her mother, Tiffany Bennett; her brother, Ja'Corey Wooten; a host of Aunts, Uncles; a host of cousins and her best friends, Kiarrah Thompson and Serenity.

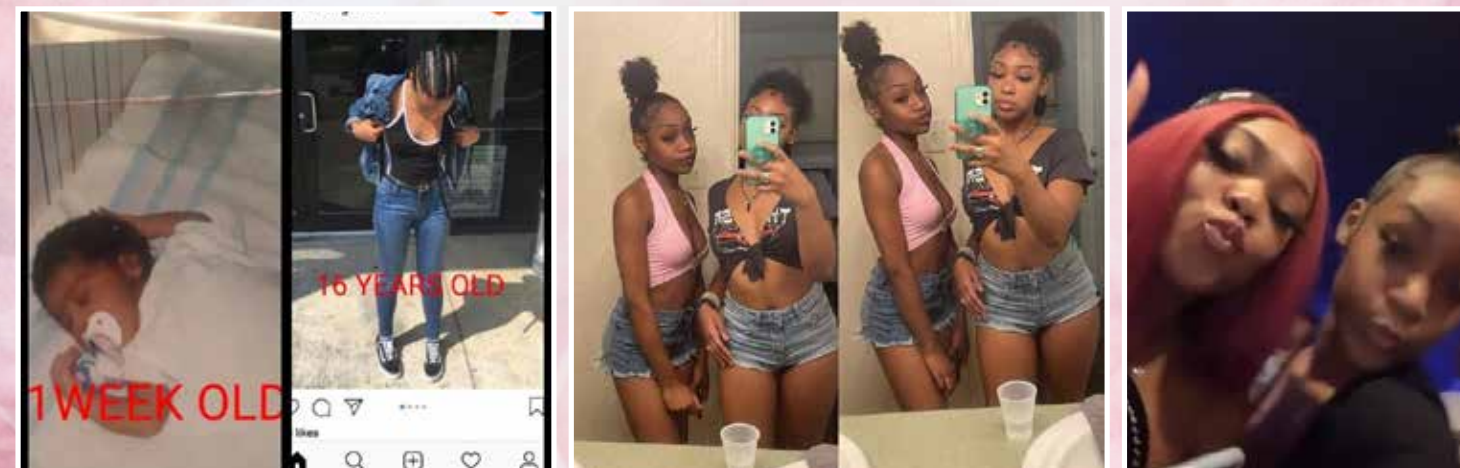

*Don't grieve for me, for now I'm free
I'm following the path God has chosen for me
I took His hand when I heard Him call
I turned my back and left it all.*

*I would not stay another day,
To laugh to love, to work or play.
Tasks left undone must stay that way
I've not found peace at the end of the day.*

*If my parting has left a void,
Then fill it with remembered joys.
A friendship shared, a laugh, a kiss
Oh yes, these things, I too will miss.
Be not burdened with times of sorrow
Look for the sunshine of tomorrow.*

*My life's been full, I savored much
Good friends, good times, a loved ones touch.
Perhaps my time seems all to brief
Don't lengthen your pain with undue grief.
Lift up your heart and peace to thee,
God wanted me now – He set me free.*

Don't think of her as gone away---

her journey's just begun

life holds so many facets

this earth is only one.

Just think of her as resting

From the sorrows and the tears

in a place of warmth and the comfort

where there are no days and years.

Think how she must be wishing.

that we could know today

how nothing but our sadness

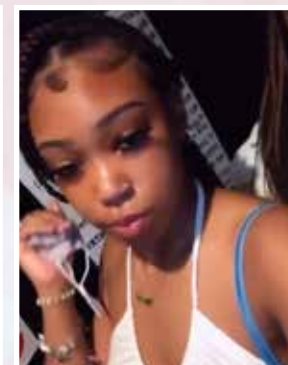

can really pass away.

*And think of her as living
in the hearts of those she touched...*

for nothing loved is ever lost—

and she was loved so much.

Tributes of Love

Roses Grow In Heaven

If roses grow in Heaven Lord,
please pick a bunch for me.
Place them in my Daughters arms
and tell her they're from me.
Tell her that I love and miss her,
and to smile when turns to smile
place a kiss upon her cheek
and hold her for a while.
Remembering her is easy,
I do it everyday
But there's an ache within my heart
that will never go away.

Love Your Mother, Tiffany

Nysha I most of all want you to know just how much you meant to me. Wow, Speaking about you in past tense is so surreal and hurts so much. I don't know if I said it enough during our friendship, but I really hope you knew that. You are the sister I never had. You helped me through so many obstacles in my life and I am forever grateful for that. I truly hope that everyone gets to experience a friend like you. I keep hoping that all of this is just a nightmare or prank and that you would walk into my room and wake me from It.

All I have now are memories of us. Photos, a few videos just to hear your voice, and remembrance from Instagram pages. I will never get to see your beautiful smile again. Nysha had such a positive mindset. Just having her around was everything. You were taken away from this earth due to the irresponsibility of another. You're gone way too soon. No sign in sight. Nobody could have seen this coming. I am not sure how I will move forward from this. You've become a part of me. Keke without Nysha, doesn't even make sense. I promise you this, I will complete our goals in your name. I will become a nurse, and carry out our shared vision.

I'll love you till my dying day! Watch out for my brother please.
Till we meet again,

I love you, Keke

To My Sister

I said a prayer for you
to thank the Lord above
for blessing me with a lifetime
of your tenderhearted love.

I thanked God for the caring
you've shown me through the years,
for the closeness we've enjoyed
in time of laughter and of tears.

And so, I thank you from the heart
for all you've done for me
and I bless the Lord for giving me
the best sister there could be!

Love your brother, Ja'Corey

The Day God Took You Home

It broke my heart to lose you,
but you did not go alone.
A part of me went with you,
the day God took you home.

You been my 'ride or die'
since the first day we met.
The good times we shared,
I will never forget.

In life I loved you dearly,
in death I love you still.

In my heart you hold a special place,
no one could ever fill.

It hurts that you're no longer here
but know this, my friend:
you are forever in my heart
until we meet again.

I love you for Eternity and the day after!
Your girl forever,

Serenity

When I Lost You

I wish I could see you one more time,
Come walking through the door...
But I know that is impossible,
I will hear your voice no more.

I know you can feel my tears
And you don't want me to cry,
Yet my heart is broken because
I can't understand why someone
So precious had to die.

I pray that God will give me strength
And somehow get me strength...
As I struggle with the heartache
That came When I Lost You.

Love your cousin, Neci

The Broken Chain

We didn't know that morning
God was going to call your name
In life we loved you dearly.
In death we do the same.

It broke our heart to lose you,
You did not go alone
For part of us went with you,
The day God called you home.

You left us beautiful memories,
Your love is still our guide,
And through we cannot see you,
You are always by our side.

Our family chain is broken,
And nothing seems the same.
But as God calls us one by one,
The chain will link again.

Love your cousin, Na Na

My Beautiful Angel,

So loving and so sweet, the brightest person I know. I never thought I would be saying goodbye so soon. you were such a beautiful person inside and out. You always made sure everyone around you was happy.

I thank you for coming into my life. Thank you for creating so many memories with me. Thank you for being the sweetest friend anyone could ask for. Thank you for always allowing me to be my true self without any judgment. Thank you for always being the person i can count on to make me smile.

I'm so glad that I was lucky enough to meet you. I'll miss all the moments we shared. I'll miss all the life talks we had. I'll miss hearing your voice. I'll miss seeing that beautiful smile. Nothing will ever be the same without you. I love you so much Tonysha. Rest in peace my beautiful angel.
