Life Reflections

Dalisha was born on June 23, 1990 in Houston, Texas. She is survived by her children, Jelani and Jewel; her parents, Alicia Hill and Dakota Blate; grandparents, Avia Marie Scott, James C. Dalisha was loved by her family and friends. She will always live in our hearts forever, never will I and those who loved her forget the precious moments she leaves behind.

Dalisha departed from us and this life on April 11, 2021

*For the Lord takes pleasure in His people;
He will beautify the humble with salvation.*

Psalms 149:4

A Mother's Love

There's no love like a mother's, her heart is filled with care. With Christ as her example, her Savior's love she'll share. A mother's love is endless, not changing for all time. When needed by her children, a mother's love will shine. God bless this special mother, God bless her. For all her tears and heartaches, and special work she's done. When days on earth are over, a mother's love lives on, through many generations, God's blessings on each side. Be thankful for our mothers, who love with higher love, from power God has given, and strength from up above.

"When you are a mother, you are never really alone in your thoughts. A mother always has to think twice, once for herself and once for her child."

Tributes of Love

From your Mother,

My dearest daughter Dalisha Lee Ann, I am blessed to have had the opportunity to be your mother and friend. I will always be reminded of all the memories we shared together, you taught me so much with your kind and fierce heart. Our love gave us growth, self-control, restoration, peace and reassurance; a love that was inseparable. I will always be reminded of your beautiful smile and your words of encouragement. I will cherish every moment we shared together with your children, my grandchildren. You will forever be in my heart, mind, and soul.

Love, Mom Alicia Hill

From your brother,

No words can express the pain and sorrow I have to endure. The love and bond we had was like no other. Now you left me, physically taking half of my heart with you. I will never be the same without you. I will continue to show love to you through your children. Part of my daily routine will be thinking of the cherished memories we shared together everyday for the rest of my life. I cannot wait to see you again sister. You were my number one and will continue to be.

Love, Christopher Perez
